Gift Aid

If you are a taxpayer and putting cash in the collection it would be appreciated if you would put the money in a yellow gift aid envelope so that the church can claim back 25p in every pound from the taxman.
Many thanks. Ruth Tresidder, Treasurer and Gift Aid Secretary.

As old £1 coins are no longer legal tender in shops we are happy for you to continue to include them in your collection as we will have no problem banking them!

Christmas at St James

Christmas is often a busy time for many and this is certainly the case at St James with extra services, the schools coming in for their Christmas celebrations, a special day event called 'the Christmas Experience' for all the Year 6 children, plus the Christmas Fayre and Paul Kerensa Comedy & Carols event. Phew I'm tired just thinking about it all. With some folk away at different times, the PCC wondered whether anyone has some time and would like to volunteer for the following....

Carols by Candlelight (December 17th) - someone to help put the candles in jam jars out around the church and up the path (weather permitting!)

Family Celebration on Christmas Eve - someone to provide and serve refreshments for when people arrive. You don't have to be an amazing baker - shop bought items are gratefully received too so don't let that put you off!

'Midnight' Holy Communion on Christmas Eve - someone to help put the candles in jam jars out around the church and up the path (weather permitting!)

I'm sure other jobs will become apparent through Advent, so watch this space on how you can be involved at this very special time. And we promise not to add you to a future rota, unless you want to! Thanks in anticipation, Vikki

Renewal of Giving

On behalf of the PCC and myself, we'd like to express our thanks for your response, both financially and how you serve at St James', to the Renewal of Giving back in October. I know that a number of people review their financial giving throughout the year, but it's always good to have a time each year set aside to consider these things or maybe to get around to actually responding when we've been meaning to for ages. There are always things on the 'List to do' aren't there?!

Through the Renewal of Giving, the annual financial giving has increased by £1050 PLUS a one off donation of £500 PLUS we have a new volunteer to help lead at the 10am services. Please join with us in giving thanks for God's provision to us as a church family and if you ever want to chat about being more involved at St James then I'm always happy to catch up over a cuppa. With thanks, Vikki

Church Christmas Cards

As you will be aware, we are hoping to deliver a Christmas Card to every household in Southam. The card, from the family at St James, is a way for us to bless all who live in Southam with the Christmas message and include an invitation to come to our Christmas services.

A lot of cards have already been delivered, which is tremendous, but at the time of writing there are a few streets left. If you are able to help by delivering a few more over the coming days that would be really appreciated. The cards can be found on a table at the back of church.

Many thanks - Vikki, Barry and Stephen

Myton Hospice

Back on the 22nd October Rachael Stevens from Myton Hospice spoke at our 10am service bringing us up to date with the work that the hospice was doing, not only in its three premises across our area but also out in the community. A retiring collection was held at all three services that day and I am delighted to announce that £197 plus appropriate gift aid was raised to support the work of the hospice.

Rachael has asked me to thank the church family for thinking of The Myton Hospice. In her words 'a huge thank you to you all'.....

Give a Christmas Gift to the Myton Hospice

Instead of, or in addition to, sending Christmas cards to your friends at church the PCC thought the following would be a great way to share Christmas greetings and raise money for Myton Hospice. On the table at the back of church is a 'large' Christmas Card from Myton - simply write your Christmas message to the church family on one of the snowflakes inside the card and place your donation in the envelope. If you are a tax payer you also have the opportunity to make your donation worth an extra 25% by completing the form on the back of the card.

Many thanks - The PCC

Christ is surely coming

*We are holding our Advent Carol Service on Sunday

St James Strollers

The next "stroll" will be on Sunday, 3rd December, as usual, meeting at 2pm at Wood Street car park, when, because of the limited hours of daylight, we will set forth on a shorter stroll of a little over 3 miles along footpaths in the Stockton direction. We should be back in Southam before sunset by about 4.30pm. I do hope you will be able to join us.

Carriers of Hope November Update

Some pieces of news from us all at Carriers:

1. Great news! Children in Need have awarded us 3 years funding for a part-time Children's Worker to enhance the work directly focusing on the children. We're excited! Watch this space.
2. There is a new phone number for Catherine on our Furniture Project, following her phone going missing. If you want to contact her about any collections please ring her on: 07378 300631.
3. The Christmas Elves have been hard at work (with the help of CLM's Life Groups - thanks so much, lovely people). We are now clearer about where we will have shortages. We still need more presents for Ages 6-8 years, 9-12 years, 13 plus, and men and women. please.

4. The target of 280 Christmas-Dinners-in-a Bag is coming along nicely. It feels as if we are around the 200 mark so far. Contributions of £10 gift cards, Christmas Crackers, Mince Pies, Christmassy desserts and Christmassy cakes will all help us to reach the target.

We are aiming to bring joy to at least 1,200 of our clients during w/b 18th December. Love from Sue Sampson

2 Temporary Accommodation Sought - Can you or anyone you know help?

We have had a request from a mature, professional, Christian woman who is seeking short term, temporary accommodation from 1st January 2018.

Sue is relocating to Cubbington for work and intending to purchase a property in the local area but needs to find temporary accommodation in the intervening period. When visiting for the interview, she was very drawn to Southam and felt God was calling her into the area.

If you are able to offer Sue a room (with use of kitchen, bathroom, etc.) to rent or know of anyone who might be able to help or properties that might be available please speak with Margaret in the Church Office to obtain Sue's contact details so that you can get in touch. Clearly if you are able to help you would have to satisfy yourself as to Sue's suitability.

Prayer Changes Things!

We, as a Church, feel challenged to pray for our community in a more structured way. Apart from being obedient to God's call to pray, (1Thessalonians 5 v 17) urging us to pray continuously. What should we pray? Because God's desire is always to bless people, we can pray for God's blessing on the people of Southam, street by street.

<p>Pray BLESSINGS on your community, BODY – health, protection, strength LABOUR – work, reward, security EMOTIONS – joy, peace, hope SOCIAL – love, marriage, family, friends SPIRIT - salvation, faith, grace</p>
