Pray especially about the arrangements for Barry's sabbatical leave - pray that the foodbank will run smoothly while he is away!
- **As we have said before, many of our requests seem very similar each month but if you read the bulletin carefully you will notice that slowly and steadily the work is expanding and prayers are being answered!!**

News and requests from Wellsbourne:

A prayer of thanks for the continued generosity of local people in donating their food, money and time to the foodbank.

That people will be directed to their nearest foodbank and for raised awareness amongst local agencies.

For people in need that they would have the courage to seek help.

PLEASE CONTINUE TO PRAY FOR US!

Fosse Food Bank is run by a network of local churches,
facilitated by Peter's Church Kineton (an excepted Church Charity)

FOR SPECIAL PRAYER.....

The newly opened branch of Fosse Foodbank in Bishop's Itchington have just been able to help a client who was in real difficulty. When they turned up with the food they found the family not only had no tin opener, but no crockery, cutlery, kettle, saucepans, bedding, etc. Volunteers from the Foodbank went shopping with money from the St Michael's church blessing fund to get what they needed and were able to sort them out for the weekend.

They then met with care professionals on the Monday to make sure there is proper plan to help this family.

It is terrible that people can end up in this situation, however, as Clive Purser, the centre manager, says, 'It is a real privilege to be able to help and to have the chance to show people God's love in action.'
